BIO ENZYME ^{plus}

The Wonder Fruit Juice

BIO ENZYME plus is 100% pure fruit juice extracted from apple, guava, grapes, papaya, pineapple, and sugar cane. Sugar contents of sugar cane have been converted and hydrolysed to fructose and glucose. It contains several ENZYMES which are natural substances that act as workers, so that the vitamins and minerals are readily absorbed, absorbed and utilized by the body. BIO ENZYME Plus is taken as functional food. It has no chemical additives and preservatives.

In general, all enzymes found in fruits and plants are beneficial. They are substances necessary to feed us, give, fight diseases, and maintain good health. Depletion of enzyme supply in the body can cause diseases. However, enzymes are delicate and easily destroyed by processing and cooking or heating. When we get sick, or as we grow older, enzyme supply is drained due to exhaustion of body cells. So, to STRENGTHEN THE BODY, RECOVER EASILY FROM DISEASES AND MAINTAIN AN ACTIVE AND HEALTHY LIFE, the need for replenishment can be easily supplied by BIO ENZYME Plus.

BIO ENZYME Plus is a product of Japanese micro-biotechnology and by a Filipino herbalist with years of intensive laboratory research and study. This product is approved by the Bureau of Food and Drug (BFAD) in the Philippines.

As mentioned earlier it is considered as a pure natural health functional food, not a drug or traditional medicine. It has the potential to manifest so many beneficial applications for human health. That is the reason why many of those taking BIO ENZYME Plus claim that they were cured of their illness.
